## Range Rules & Safety

1. **No loaded firearms off the firing line** at any time during the competition. Chamber flags are strongly recommended.
2. Always maintain muzzle control. Rifles shall be carried muzzle up or down, magazines REMOVED from the rifle. **Zero tolerance for FLAGGING.** No warnings. It'll just be an immediate match DQ.
3. All NRL rules apply re: Negligent Discharge (ND), Accidental Discharge/Mechanical Failure (AD).
4. No person, shooter, staff, or volunteer shall consume or be under the influence of alcohol or drugs during the match.
5. **No smoking or open flame up on the LRP.** Fire risk is just too great.
6. **NO ONE will touch another competitor's rifle or equipment** without permission. If someone is caught tampering w/ anyone's equipment they will be asked to leave. Period. End of story.
7. **NO COACHING.** This is an individual match, not a team event. We encourage competitors to discuss the COF, strategy, etc. prior to or after shooting, but no coaching competitors while they are shooting. The only exception to this rule will be for young guns.
8. **Cheating in any form lead to immediate DQ from competition.** We assure you, nothing about this match is worth your integrity.
9. **DO NOT ARGUE W/ SPOTTERS OR SCOREKEEPERS. *Respectfully*** address concerns with the Stage RO. If you disagree with Stage RO's ruling, ***respectfully*** request to speak with either Match Directors. All MD rulings are final.
10. COF movement will only be done w/ bolt open & back (safety on for semi-autos). If you close the bolt prior to being on target, you will be warned & asked to eject the chambered round before continuing. Further violations of blind/sky loading policy may result in a stage DQ.
11. **Have fun, be safe, & remember who you are.**  
If you make a mistake, just own it, ...be the best example of sportsmanship & camaraderie that you can. Sometimes even the best of us just plain screw up. Regardless of how you shoot or where you place at this match, we promise that your Momma/Kids/Spouse ain't gonna love you any more or any less.
